RECORDATION NO. 8272 Filed & Recorded

WITNESSETH:

OCT 21 1986 1-3 0 PM

INTERSTATE COMMERCE COMMISSION

WHEREAS, Rail is the Assignee of certain obligations under an Assignment and Amendment of Conditional Sale Agreements dated March 21, 1983 ("Assignment") by and between ITEL Corporation, Rail, as successor in interest to SSI Rail Corporation, and Citicorp, a copy of which is attached hereto as Exhibit A; and

WHEREAS, Rail is obligated to assume the due and punctual payment to Citicorp of all amounts payable under two Conditional Sale Agreements dated April 1st, 1976 and June 4, 1976 (as amended, collectively referred to herein as the "CSAs"); and

WHEREAS, Citicorp is entitled to a final payment under the CSAs in the amount of \$2,490,608.12 on August 29, 1986; and

WHEREAS, Rail has requested that it be allowed to amend the terms of such final payment, and to extend and renew the terms of the CSAs; and

WHEREAS, Citicorp is willing to amend the terms of the payment obligation pursuant to the terms and conditions contained in this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree to further amend the CSAs as follows:

1. On or before August 29, 1986, Citicorp will receive from Rail an initial payment of \$1,326,608.12.

2. Following such initial payment, Citicorp will receive from Rail twenty-seven (27) payments, payable monthly in arrears. Each payment shall be in the amount of \$48,862.25, with the first payment due on September 29, 1986 and the last payment due on November 29, 1988.

3. Rail shall accomplish any and all searches, recordings, registrations and filings as may be required by law or requested by Citicorp to maintain a first priority security interest in favor of Citicorp in the 194 boxcars subject to the Agreements and the Leases of such boxcars to the Valdosta Southern Railroad Company and the Sabine River and Northern Railroad Company (as such Leases relate to the 194 boxcars subject to the CSAs). Rail shall also accomplish any other filing necessary to record the terms and conditions of this Agreement with the appropriate regulatory agency.

4. In the event that 20% or more of Rail's outstanding debt is accelerated by its creditors, Citicorp may treat such event as a default under the terms of this Agreement, and may, with or without notice, declare all unpaid rental amounts immediately due and payable. Debt shall be defined as indebtedness for borrowed money or

for the deferred purchase price of property or services, or obligations as lessee under leases which shall have been or should be, in accordance with generally accepted accounting principles, recorded as capital leases, or obligations under direct or indirect guaranties in respect of, and obligations (contingent or otherwise) to purchase or otherwise acquire, or otherwise to assure a creditor against loss in respect of, indebtedness or obligations of others, or liabilities in respect of unfunded vested benefits under plans covered by Title IV of ERISA.

5. Rail represents and warrants to Citicorp that: (i) it is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware; (ii) it has full power, authority and legal right to execute, deliver and perform this Agreement, and the execution, delivery and performance hereof have been duly authorized by all necessary corporate action; (iii) this Agreement has been duly executed and delivered by Rail and constitutes a legal, valid and binding obligation enforceable in accordance with its terms; and (iv) the execution, delivery and performance of this Agreement does not require any stockholder approval, or any approval or consent of, or filing or registration with, any governmental body or regulatory authority or agency, or any approval or consent of any trustees or holders of any indebtedness or obligations of Rail, or such approval or consent has been obtained and does not contravene any law, regulation, judgement or decree applicable to Rail, or its Certificate of Incorporation or By-laws.

6. Upon receipt of the final payment under this Agreement, Citicorp shall execute and allow to be filed in appropriate public records any documents necessary to clearly indicate Rail's unencumbered title to the boxcars subject to the CSAs and the aforementioned Leases.

Except as modified or supplemented herein, the terms and provisions of the Assignment, the CSAs and any other agreement between the parties hereto shall remain in full force and effect. To the extent any provisions of this Agreement may be inconsistent with the provisions of the Assignment or other agreements referred to above, the provisions of this Agreement shall be controlling.

This Agreement shall in all respects be governed by, and construed in accordance with the laws of the State of California, including all matters of construction, validity and performance.

This Assignment and Amendment of Conditional Sale Agreements is entered into as of this the 21st day of March, 1983 between CITICORP LEASING, INC., a Delaware corporation, ITEL CORPORATION, a Delaware corporation ("Itel"), as successor in interest to SSI RAIL CORP., a Delaware corporation ("SSI"), and ITEL RAIL CORPORATION, a Delaware corporation (the "Assignee").

Section 1. Recitals of Fact.

A. FMC Corporation, a Delaware corporation (hereinafter called "Builder"), and SSI entered into a conditional sale agreement made as of April 1, 1976, filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8272 (hereinafter called "the April Conditional Sale Agreement"), providing for the construction, sale and delivery by Builder and the purchase by SSI of one hundred (100) 50' 6" 70-ton capacity, general purpose, single sheath boxcars numbered SRN 5000 through SRN 5099 inclusive (the "SRN Cars").

C. Pursuant to an Agreement and Assignment dated as of June 2, 1976, filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8272A, the Bank of California ("Bank") was assigned Builder's interest in the April Conditional Sale Agreement, as amended.

D. Pursuant to a Second Amendment and Supplement to Conditional Sale Agreement made as of July 30, 1976 filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8272-C, the April Conditional Sale Agreement was further amended.

E. Pursuant to an Agreement and Assignment dated as of July 30, 1976; filed and recorded with the Interstate Commerce Commission and assigned recordation No. 8272-D, the rights of the Bank under the April Conditional Sale Agreement, as amended, were assigned to Citicorp Leasing, Inc. ("Citicorp").

F. Builder and SSI also entered into a conditional sale agreement made as of June 4, 1976, filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8355 (hereinafter called the "June Conditional Sale Agreement"), providing for the construction, sale and delivery by Builder and the purchase by SSI of one hundred (100) 50' 6" 70-ton capacity, general purpose, single sheath boxcars numbered VSO 6100 through 6199 inclusive (the "VSO Cars").

G. Pursuant to a First Amendment and Supplement to Conditional Sale Agreement dated June 22, 1976, filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8355-B, the June Conditional Sale Agreement was amended.

H. Pursuant to an Agreement and Assignment dated as of June 22, 1976, filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8355-A, First Pennsylvania Bank, national association ("First Penn") was assigned Builder's interest in the June Conditional Sale Agreement, as amended.

I. Pursuant to a Second Amendment and Supplement to Conditional Sale Agreement made as of July 30, 1976, filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8355-C, the June Conditional Sale Agreement was further amended.

J. Pursuant to an Agreement and Assignment dated as of July 30, 1976, filed and recorded with the Interstate Commerce Commission and assigned recordation No. 8355-D, the rights of First Penn under the June Conditional Sale Agreement, as amended, were assigned to Citicorp.

K. The SRN Cars were leased to the Sabine River & Northern Railroad Company pursuant to a Lease Agreement dated as of March 26, 1976 and an equipment schedule thereto (the "SRN Lease") which was accepted by SSI on March 29, 1976. The SRN Lease was filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8246-E.

L. The VSO Cars were leased to the Valdosta Southern Railroad Company pursuant to a Lease Agreement dated as of March 26, 1976 and an equipment schedule thereto (the "VSO Lease") which was accepted by SSI on March 29, 1976. The VSO Lease was filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8343-A.

M. The SRN Lease was assigned to Citicorp as partial security for the indebtedness represented by the April Conditional Sale Agreement pursuant to an Assignment of Lease and Agreement dated as of July 30, 1976 and filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8272-E.

N. The VSO Lease was assigned to Citicorp as partial security for the indebtedness represented by the June Conditional Sale Agreement pursuant to an Assignment of Lease and Agreement dated July 30, 1976 and filed and recorded with the Interstate Commerce Commission and assigned Recordation No. 8355-E.

O. The obligations of SSI under the April Conditional Sale Agreement, as amended, and the June Conditional Sale Agreement, as amended, were guaranteed in part by Itel pursuant to two Debt Servicing Agreements, each dated as of July 30, 1976 (the "Guarantees").

P. Itel merged SSI into itself pursuant to a Certificate of Ownership and Merger dated as of December 15, 1977. As a result of said merger, Itel, as the successor in interest to SSI, became the obligor under the April Conditional Sale Agreement, as amended and under the June Conditional Sale Agreement, as amended (such conditional sale agreements being henceforth collectively referred to as the "Conditional Sale Agreements").

Q. On January 19, 1981, Itel filed a petition for reorganization pursuant to Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of California (the "Court"). A proof of claim was filed with the Court on behalf of Citicorp.

R. Subsequent to the filing of Itel's petition for reorganization, Itel and Citicorp entered into an "Agreement and Stipulation Re: Use of Cash Collateral and Adequate Protection Pursuant to Sections 361 and 363 of the Bankruptcy Code for Citicorp Leasing, Inc." (the "Cash Collateral Stipulation"). The Cash Collateral Stipulation provided for the payment by Itel of the scheduled debt service under the April Conditional Sale Agreement and June Conditional Sale Agreement, and permitted Itel to use in its regular business the excess cash collateral, if any.

S. Pursuant to the amended plan of reorganization dated as of December 8, 1982, filed in said reorganization proceeding (the "Plan of Reorganization") Itel will transfer to the Assignee substantially all of the assets utilized by Itel's rail division. The Plan of Reorganization further provides that the Assignee will conduct all of Itel's current and future rail operations (except for the management and marketing of Itel's residual interests in rail-related assets) and will continue Itel's railroad equipment leasing business as it is now conducted. In connection with the continuation of Itel's railroad equipment leasing business, Itel is willing to assume its obligations under the Conditional Sale Agreements and assign all of its rights and obligations thereunder to the Assignee; provided that Citicorp releases Itel from all obligations with respect thereto and with respect to the Guarantees and agrees to look only to Assignee for the performance of such Conditional Sale Agreements.

T. The parties hereto desire by this Amendment to amend and supplement certain provisions of the Conditional Sale Agreements and to provide for the assumption by the Assignee of the due and punctual performance and observance of all the terms, covenants and conditions of and the due and punctual payment of all amounts payable under the Conditional Sale Agreements in like manner as if the Assignee were named therein in lieu of SSI (as predecessor in interest to Itel).

Section 2. Effective Date.

This Agreement shall become effective upon entry by the Court of an order confirming the Plan of Reorganization.

Section 3. Assignment and Assumption.

A. Itel hereby assigns to the Assignee all of its right, title and interest in and to the Conditional Sale Agreements. ~~The Lessor~~ hereby consents to the foregoing assignment and agrees that Itel shall be relieved of all liabilities and obligations under the Conditional Sale Agreements and the Guarantees and that only the Assignee shall be henceforth liable thereunder.

B. The Assignee hereby assumes the due and punctual performance and observance of all the terms, covenants and agreements of and the due and punctual payment of all amounts payable under the Conditional Sale Agreements in like manner as if named therein in lieu of SSI (as predecessor in interest to Itel).
